This confirms that on August 25, 2022 I carefully examined the following described jewelry on behalf of:

**Erica R. Johnson, Trustee**

The estimated value is for the establishment of fair market value and is effective for the date of examination.

This is not an offer to buy, sell or replace by the appraiser, who has no personal interest in the article listed.

**Report #X-480**

Men's stainless steel/18 karat yellow gold Rolex™ Oyster Perpetual Datejust Submariner watch with a 40 mm diameter round case attached to a stainless steel/18 karat yellow gold Oyster bracelet with a deployment clasp. The watch has a blue dial with skeleton hands and the date feature at the "3" position under a Cyclops magnifier; the dial is surrounded by a blue rotating bezel. The watch is marked with model number 166133 and serial number Z417525; it is in very good condition, appears to be in working order and weighs 149.7 grams.

FAIR MARKET VALUE: \$9,000.00

The subjectivity of appraising allows some variations in grading and valuation with alternate appraisals. This appraisal has been prepared in conformity with generally accepted professional standards following the Code of Professional Ethics of the National Association of Jewelry Appraisers and the Uniform Standards of Professional Appraisal Practice (USPAP); it is incomplete without the cover page and the limiting conditions statement.

Value based on gold at \$1,745.10 per ounce.
