Payment: Credit Cards (MasterCard, Visa, American Express and Discover). McLemore Auction Company, LLC will automatically charge invoices for the full amount following the auction close. Shipping and/or delivery costs will be charged separately approximately three business days after the auction end date.

Merchandise becomes the full responsibility of the bidder at time of payment and the bidder assumes all risk of loss and damage to property at that time. McLemore Auction Company, LLC reserves the right to resell any property not paid for in full by the conclusion of the stated pickup period. In any such event, the bidder will still be responsible for payment for the original purchase and the costs of collection of this payment and/or damages resulting from the resale of the property.

Credit Card Hold: A \$50.00 hold will be placed on your card when you place your first bid for this auction. If you do not pay for your auction purchases on time, then the credit card hold will be applied towards your outstanding balance. If you use a credit card to secure your account, the auction deposit will take the form of a credit card authorization and will count against your credit limit for the duration of the authorization. If you use a debit card to secure your account, the auction deposit will take the form of a hold on funds in your bank account for the duration of the authorization. McLemore Auction Company, LLC highly recommends you secure your account with a credit card and is not responsible for any issues arising from the use of a debit card to secure your bidding account. Add a debit card at your own risk.

Removal: Items can be picked up or shipped - your choice. For this auction, a third party handles both pick up and shipping. All items must be removed within 7 days of the conclusion of the auction. Please contact the Auction Manager if you need more time or want to combine multiple auction pick ups.
